Kids Kollege
Summer 2016

Kids Kollege .......................... 2
Registration Form .............. 11

Online Course Information

Most online courses are available for 30 days. The course is entirely self-paced. You do not need to download special software or wait for future lessons. Within that 30 day session you can access and work on any course 24 hours a day and work as little or as much as you like—whatever suits you best. You can even skip a few days. To budget your time, plan on an average of 5 hours per week of online instruction. This includes reading the course materials and following suggested links.

Once you register, you will be contacted by the instructor before class begins with a User ID and Password and instructions to access the course. The instructor works with you one-on-one via email (so you don’t have to worry about your email address getting out to others).

MISSION VISION and VALUES STATEMENTS

MISSION

DACC is a responsive and accessible learning-centered community college that provides educational opportunities to a diverse community of learners in support of workforce and economic development.

DACC will be a premier learning college that is grounded in academic excellence and committed to fostering lifelong learning and active, responsible citizenship within the community.

VISION

As a learning-centered community college, DACC is committed to the following core values:

EDUCATION THAT —
• offers lifelong learning opportunities
• fosters dynamic learning environments designed to meet the needs of our students
• guarantees equality of rights and access
• ensures integrity and honesty in the learning process
• provides comprehensive assessment of learning

STUDENTS WHO WILL BE —
• respected for their diversity
• provided with a safe and supportive learning environment
• challenged to become critical and independent thinkers
• expected to take an active role in their learning process

LEADERS AND EMPLOYEES WHO —
• practice transparency and inclusiveness in decision-making through shared governance and with external stakeholders
• encourage and support professional growth
• demonstrate high ethical standards and integrity
• encourage collaborative interaction among faculty and staff
• practice responsible fiscal management and personal accountability
• ensure equal opportunities for a diverse faculty and staff

COMMUNITIES THAT —
• build partnerships, including educational alliances
• strengthen industry partnerships to provide workforce development services and programs in support of economic development
• develop and adapt instructional programs in response to changing educational needs

NEW!

African Safari
Age 5 to 13
Explore the exciting land and animals that inhabit Africa. Draw a variety of animals in various backgrounds using different media. Challenge your artistic abilities as we create two large scenes - one in graphic style filled with a variety of animals and another focusing on the twists and turns of an African snake.

Instructor: Young Rembrandts was founded in 1988 by Bette Fetter and has become a recognized leader in art education. What began as one person, working with children in her home, has developed into an international franchise business with franchisees who teach drawing to thousands of students every week.

Course # KID171 .......... 12 hrs .......... $109
When: Mon – Thurs July 18 – 21
Time: 9:00 a.m. – 12:00 p.m.
Where: DACC Workforce Center, RM 119

NEW!

Amazing 4 in 1 Robot
Age 7 to 12
Build and take home your own interchangeable robot with four unique modes. Experience movement on six legs, pedal movement, an engine with a motorized transmission, and a gear driven movement. Switch easily from one movement to another. Build additional robots for class use only and compete in a variety of competitions.

Instructor: Sciensational has been providing summer programs for children for more than 30 years. The focus is on the belief that science can be interesting, fun, and educational for all kids. All teachers are certified and currently work in local school districts.

Course # KID172 ........... 15 hrs ........ $149
When: Mon – Fri June 20 – 24
Time: 9:00 a.m. – 12:00 p.m.
Where: DACC East Mesa, DAAR RM 112

App Adventures
Age 12 to 14
Continue your quest to make the next viral app! Move past basic techniques and choose from a selection of different mobile app types to explore more in depth programming concepts. Student-created apps will be accessible on a private site and can be played on any mobile device or computer.

Instructor: Black Rocket has more than a decade of experience designing camps in the S.T.E.M. and digital arts areas. Every program is powered by the student’s innate imagination and designed to bring their ideas to life in a fun, hands-on learning environment. All programs mirror real life experiences and the collaborative nature of any design process.

Course # KID128 ........... 15 hrs .......... $109
When: Mon – Fri June 13 – 17
Time: 1:00 p.m. – 4:00 p.m.
Where: DACC Workforce, RM 104

App Attack
Age 12 to 14
Take the first steps into the world of mobile app design and customize your own game app! Using specialized game development tools, explore the world of phone-based and tablet applications. Learn the basics of mobile app design and game development and see how the world of App publishing functions.

Instructor: Black Rocket has more than a decade of experience designing camps in the S.T.E.M. and digital arts fields. Every program is powered by the student’s innate imagination and designed to bring their ideas to life in a fun, hands-on learning environment. All programs mirror real life experiences and the collaborative nature of any design process.

Course # KID129D2 .......... 15 hrs .......... $109
When: Mon – Fri June 6 – 10
Time: 1:00 p.m. – 4:00 p.m.
Where: DACC Workforce, RM 104

NEW!

Cartoon Adventures in Space
Age 5 to 13
Travel to the farthest reaches of the galaxy to create futuristic scenes and otherworldly adventures. Join a colorful cast of cartoon characters: Sketch the mouse, Shade the cat, and Dave the elephant as you learn how to illustrate science fiction inspired characters.

(continues on next page)

DACC MISSION STATEMENT

DACC is a responsive and accessible learning-centered community college that provides educational opportunities to a diverse community of learners in support of workforce and economic development.
From astronauts in jetpacks to out-of-this world alien life forms, practice composing cartoon figures in dynamic poses. **Instructor:** **Young Rembrandts** was founded in 1988 by Bette Fetter and has become a recognized leader in art education. What began as one person, working with children in her home, has developed into an international franchise business with franchises who teach drawing to thousands of students every week.

**NEW!**

**Empowering Students with Disabilities**

Learn powerful strategies you can put to work immediately in your classroom. Understand and cope with the most common disabilities you’ll encounter. Start by being in the shoes of students with special needs as you explore a wide variety of disabilities ranging from autism spectrum disorder to cerebral palsy. Gather dozens of tips for fostering reading, writing, and math skills along with appropriate classroom behavior and effective ways to collaborate with parents and professionals.

**Instructor:** **Sara Hardin** has a passion for working with special needs students that began in seventh grade when she volunteered at a summer camp for physically disabled children. Their willingness to keep trying new things despite serious obstacles impressed her and inspired her to become a special educator. She has taught special education for nine years, mostly at the elementary level. She completed her master’s degree in special education in 2000.

Enhancing Language Development in Childhood

Follow your child’s lead and have fun while enhancing language development! Fun and user-friendly – for parents, teachers, and caregivers. Discover how children learn to process language and how they become proficient speakers and thinkers through speech, brain, and language development.

**Instructor:** KT [Katie] Paxton is a certified teacher with a Master’s Degree in Education focusing on Learning and Technology. She has more than 15 years of classroom experience and has been an online instructor since 2003. KT owned and managed a home daycare for five years and is the author of *More Adventures With Kids in San Diego.*

**Online Course #** ETG169 ................. $99

---

**Etiquette for Kids**

**Age 5 - 11**

In today’s world, making a good impression is important. In the hustle and bustle of a busy daily life we sometimes forget to focus on etiquette. Reinforce must-do manners for situations from the classroom to the dining table.

Lunch will be provided to practice dining etiquette.

**Instructor:** Marina Atma SPHR, SHRM-SCP is a certified Professional in Human Resources and has been teaching for over 20 years, eight years with Customized Training. She has a Bachelor’s in Business Management from NMSU. Marina’s passion is helping people improve their work and professional skills.

**Course #** KID162D2 ........ 3 hrs ........ $36

**When:** Fri June 10
**Time:** 9:30 a.m. – 12:30 p.m.
**Where:** DACC Workforce Center, RM 123

---

**NEW!**

**For Parents with Boys**

Boys learn differently than girls, so they succeed differently in school. Take home nine tips for helping your boy learn and succeed in school. Gain skills in helping your son fidget less and engage in movement without distracting others and the critical role parents, guardians, and mentors play in helping their child succeed in school and college.

**Instructor:** William A. Draves is a parent and has mentored a number of boys while they were in school. He and Julie Coates have studied the issue of boys in school for twenty years and are authors of the book, “Smart Boys, Bad Grades: Gender Inequality and STEM in Education.” He also teaches teachers all over Canada and the United States as part of the graduate program in the School of Education at the University of South Dakota.

**Online Course #** UGOT156 ................. $145

**When:** June 6 – July 1

---

**Etiquette for Tweens**

**Age 12 - 17**

In today’s world, making a good impression is important. In the hustle and bustle of a busy daily life we sometimes forget to focus on etiquette. Reinforce must-do manners for situations from the classroom to the dining table.

Lunch will be provided to practice dining etiquette.

**Instructor:** Black Rocket has more than a decade of experience designing camps in the S.T.E.M. and digital arts fields. Every program is powered by the student’s innate imagination and designed to bring their ideas to life in a fun, hands-on learning environment. KIDS KOLLEGE
(continued from previous page)

Instructor: Wendy Harvey has MAs in Anthropology and Spanish from NMSU and has studied cultural anthropology with an emphasis on traditional foods. Wendy has lived in Mexico, England, and the US and traveled to many parts of Europe and Brazil. She enjoys the foods and cultures of indigenous communities in central Mexico and the states of Michoacán, Guanajuato, Puebla, Oaxaca, and Chiapas.

Course # CA119 ............ 12 hrs ........ $77
  When: Wed & Sat June 4 – 22
  Time: 11:00 a.m. – 1:00 p.m.
  Where: DACC East Mesa, DAEM, RM 113

Homeschool with Success
Discover how to homeschool your children in a way that ensures they get what they need both academically and socially. Delve into the history of homeschooling, and the many types available. Discuss learning styles and how they affect homeschooling. Learn how to take your child out of school and make the transition to homeschool both fun and effective.

Instructor: Beverly Schulz is a homeschool mom and a leader in her homeschool support group and helps parents develop their homeschool. She teaches many online classes and enjoys working from home while educating her children. Beverly’s experience as a faculty member with a number of colleges gives her a good perspective in preparing students for the college experience.

Online Course # ETG152 ................ $99

NEW!

Lego Films and Stop Action
Ages 8 to 11
Make your LEGOs come to life! Bring in your favorite action figures or LEGOs and create a short film with your classmates. Recreate a scene from Star Wars, design a world of your own, and more – bring your dreams to the screen. Student-created films will be available on a password protected Web site to share with friend and family.

Students will need to bring in LEGOOS or action figures form home

Instructor: Black Rocket has more than a decade of experience designing camps in the S.T.E.M. and digital arts fields. Every program is powered by the student’s innate imagination and designed to bring their ideas to life in a fun, hands-on learning environment. All programs mirror real life experiences and the collaborative nature of any design process.

Course # KID175 ............ 15 hrs ........ $109
  When: Mon – Fri June 20 – 24
  Time: 9:00 a.m. – 12:00 p.m.
  Where: DACC Workforce, RM 104

LEGO Video Games
Age 8 to 11
Combine your two favorite activities: LEGOs and Video Games! Create your own LEGO characters and develop your adventures in an interactive 2D video game. You can view your finished LEGO video game with friends and family through a password protected Black Rocket Web site.

Games are only compatible on PC computers. MAC Versions can be created after the course for a $15 conversion fee.

Instructor: Black Rocket has more than a decade of experience designing camps in the S.T.E.M. and digital arts fields. Every program is powered by the student’s innate imagination and designed to bring their ideas to life in a fun, hands-on learning environment. All programs mirror real life experiences and the collaborative nature of any design process.

Course # KID139 ............ 15 hrs ........ $109

**NEW!**

Pattern & Design – A World Tour

Age 5 to 13

All aboard!! Learn multicultural art using pastels. Begin the tour in Mexico drawing welcoming, colorful doorways. Next, travel to Africa and explore the design intricacies of African crafts. The tour moves on to design paisley patterns and explore the Far East by studying Asian paper lanterns. The last stop is in Russia to discover Russian architecture using the Onion Dome.

*Students should wear an old shirt or smock to class*

**Instructor: Young Rembrandts** was founded in 1988 by Bette Fetter and has become a recognized leader in art education. What began as one person, working with children in her home, has developed into an international franchise business with franchisees who teach drawing to thousands of students every week.

**Course # KID179..........12hrs .......... $109**

- **When:** Mon – Thurs June 20 – 23
- **Time:** 9:00 a.m. – 12:00 p.m.
- **Where:** DACC Central DAHL, RM 184

---

**Positive Parenting**

Parents, teachers, and others that work with children will learn to use positive discipline to encourage self-respect, self-discipline, cooperation, good behavior, and problem-solving skills in their children. Topics include how to create natural and logical consequences, effectively encouraging children, and the four mistaken goals of behavior.

**Online Course # KID164...................... $249**

---

**Testimonial:**

“My daughter liked how she was taught new things each day.”

NEW!
SAT/ACT Prep Course - Part 2
Both the ACT and the SAT contain verbal and math question types. The ACT math tests your knowledge of arithmetic, algebra, geometry, trigonometry, and basic statistics. The SAT math questions include functions and graphing functions as well as arithmetic, algebra I and II, geometry, and basic statistics. Learn how to use your time wisely so that you finish as many math questions as possible in the time allowed.

Instructor Jessie Stellini has a bachelor's degree from the University of North Carolina at Chapel Hill. Jessie currently works with undergraduate students at Vanderbilt University, where she has taught the GRE and SAT/ACT Math Prep courses since 2007.

Online Course # ETG208...................... $99

Understanding Adolescents
Learn about the many physical, emotional, and cognitive changes that affect teens and understand the significance of these changes. Uncover the secrets of the adolescent mind and gain valuable information on how they think and feel, and how their identity develops.

Instructor: Sonya Jodoin has been involved in social work and youth work for more than 25 years. She holds a degree in Social Development Systems (Social Policy); and numerous certifications in trauma assessment and treatment for children, youth, and adults. Sonya has developed and implemented a specialized joint educational/mental health treatment program for children whose behavior has resulted in school expulsions.

Online Course # ETG213...................... $99

NEW!
Space 9 Robot
Age 7 to 12
Build and take home an infra-red, eight-legged star explorer. It can walk on rough surfaces, turn left and right, and cross over rocks using a remote transmitter. Build additional robots for class use as you learn the many steps in the assembly process and how different gears mesh and are driven by a motor.

Instructor: Sciensational has been providing summer programs for children for more than 30 years. The focus is on the belief that science can be interesting, fun, and educational for all kids. All teachers are certified and currently work in local school districts.

Course # KID182.......... 15 hrs ....... $149

When: Mon – Fri July 18 – 22

Time: 9:00a.m. – 12:00p.m.

Where: DACC East Mesa, DAAR RM 112

NEW!
Video Game Odyssey
Age 12 to 14
Take your game design to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the personality, signature moves, special powers, and more. Your fully animated character can be used in future games.

No prior experience is necessary. Games are only compatible on PC computers. MAC Versions can be created after the course for a $15 conversion fee.

Instructor: Black Rocket has more than a decade of experience designing camps in the S.T.E.M. and digital arts fields. Every program is powered by the student’s innate imagination and designed to bring their ideas to life in a fun, hands-on learning environment. All programs mirror real life experiences and the collaborative nature of any design process.

Online Course # ETG218...................... $99

Taking Online Courses
In the online classroom:
• Listen to audio lectures
• View slides
• Even take an optional quiz to test yourself

Discussion and Questions
Post written comments in the online discussion with your fellow participants and the instructor. Your instructor logs on once a day to answer questions and join in on the discussion.

Readings
Many courses have online readings of up to 20 pages a week.

Participation
You may participate anytime, day or night. The ideal is to go online two or three times a week, but you decide.

New to online learning?
Our online learning tutorial begins the week before classes start.

Technical Requirements:
• Internet access with Internet Explorer; Firefox; or Safari Web browser.
• Audio software such as Windows Media, Real, Quicktime, or Flash.
• Speakers to listen to audio.

Parkign Permit Information
You will need a parking permit if you are going to be on the DACC Central Campus for courses Mon–Fri, 7am–4:30pm. Permits are not necessary for courses after 4:30pm or on weekends. You can pick up your complimentary parking permit at the DACC Community Education window, 2345 E. Nevada Ave., Suite 100
How to Register

Your Registration Checklist

Step 1
Check out our courses, then register in one of the following ways:
1) Fill out the registration form on page 31, register, and pay, OR
2) Register online at http://dacc.augusoft.net

Step 2
Check building location

Step 3
Check parking requirements

Step 4
Check e-mail (give us a couple days, please!) for registration confirmation

Step 5
Check for any required supplies listed in the course descriptions

Step 6
See you in class!

Confirming Your Enrollment
When you enroll in a non-credit course, you will receive an enrollment confirmation by e-mail. We will notify you of any changes to the course.

Note: If your enrollment confirmation doesn’t arrive within one week, call 575-527-7527 during office hours, Mon–Fri, 8:00 am–5:00 pm.

Cancellation/Refund Policy
If you cancel three or more working days prior to course start date, a full refund will be issued. If you cancel with less than a three-day notice, or if you do not attend, you will be responsible for the entire payment without benefit of refund. You are welcome to send a substitute if you cannot attend. A working day is defined as Monday through Friday, with the exception of published holidays.
