

## 2022-2023 Student Outcomes: Employment

DACC collects employment information from students via a locally-developed instrument, “Graduated Student Job Placement Survey.” For this past year, 113 Fall 2022 graduates (30%) completed the survey and 163 Spring 2023 graduates (25%) completed the survey. A look at this year’s cumulative data provides some information about DACC graduates’ experience in the workforce.
