

# Publication of Program Outcomes

## Publication and Disclosures

As a requirement for accreditation through CAAHEP, the DACC EMS Program is required to make public current and consistent summary information about student/graduate achievements, which include student retention, national registry completion, and positive employment placement. This information is displayed in the table below:

### PROGRAM OUTCOMES

YEAR	STUDENT RETENTION	NATIONAL REGISTRY OUTCOMES	POSITIVE EMPLOYMENT PLACEMENT
2023	18 students = 94% retained	15 students = 88% pass rate within 3 attempts 12 students = 71% passed on first attempt	15 students = 100% employed
	*4 students from 2022 cohort completed; 1 student did not test	*3 students = 100% pass rate within 3 attempts *3 students = 100% passed on first attempt	*3 students = 100% employed
2022	20 students = 70% retained	12 students = 86% pass rate within 3 attempts 6 students = 43% passed on first attempt	12 students = 100% employed
2021	10 students = 90% retained	9 students = 100% pass rate within 3 attempts 7 students = 78% passed on first attempt	9 students = 100% employed

	*4 students from 2020 cohort completed; 1 student did not test	*3 students = 100% pass rate within 3 attempts *3 students = 100% passed on first attempt	*3 students = 100% employed
<b>2020</b>	10 students = 30% retained *Covid delayed completion for several students in this cohort; testing outcomes reflected in 2021	3 students = 100% pass rate within 3 attempts 2 students = 67% passed on first attempt	3 students = 100% employed
<b>2019</b>	25 students = 93% retained	25 students = 100% pass rate 22 students = 88% passed on first attempt	25 students = 100% employed
<b>2018</b>	8 students = 89% retained	8 students = 100% pass rate 6 students = 75% passed on first attempt	7 students = 88% employed
<b>2017</b>	6 students = 75% retained	6 students = 83.3% pass rate	6 students = 100% employed
<b>2016</b>	9 students = 100% retained	8 students = 89% pass rate 7 students = 78% passed on first attempt	8 students = 89% employed 1 student = 11% continuing education
<b>2015</b>	26 students = 100% retained	26 students = 100% pass rate	26 students = 100% employed
<b>2014</b>	7 students = 100% retained	7 students = 100% pass rate	6 students = 85.7% employed 1 student = 14.3% continuing education
<b>2013</b>	7 students = 100% retained	7 students = 100% pass rate	7 students = 100% employed
