Doña Ana Community College
Career Ladder Nursing Program
STUDENT ACHIEVEMENT DATA

Program Outcome 1: Program's mean first-time RN pass rate for the three most recent years at or above the most recent annual national mean pass rate (ACEN, Standard 5.4)

Licensure Pass rates by Calendar Years

RN[1]	2023		2024		2025		Program 3-year pass rate Total		2025 National Pass Rate for A.D.N
Type of Candidate	Count	Percentage	Count	Percentage	Count	Percentage	Count	Percentage	Percentage
First-time test takers Associate Degree	35	94.29%	41	97.56%	53	94.34%	129	95.34%	86.7%
PN[2]	2023		2024		2025		Program 3-year pass rate Total		National Pass Rate for PN
Type of Candidate	Count	Percentage	Count	Percentage	Count	Percentage	Count	Percentage	Percentage
First-time, Test takers PN Certificate	15	93.33	10	100%	11	100%	36	97.22%	86.6%

Program Outcome 2: 75% of full-time and part-time students persisting in the Nursing program will complete program by 100% of program length as per NMBON rules. Data will be trended by admitting cohort for RN and PN programs.

DACC A.D.N Completion in 100% of program length (four terms) for Full-time program

Academic Year	100% Completion Rate
2023-2024	82%
2024-2025	58%
2025-2026	65%

DACC A.D.N. Completion in 100% of program length (6 terms) for Part-time program

Academic Year	100% Completion Rate
2023-2024	66%
2024-2025	TBD
2025-2026	TBD

DACC L.P.N. Completion in 100% of program length (3 terms) for Full-time program

Academic Year	100% Completion Rate
2023-2024	53%
2024-2025	65%
2025-2026	TBD

DACC L.P.N. Completion in 100% of program length 5 terms) for Part-time program

Academic Year	100% Completion Rate
2023-2024	50%
2024-2025	TBD
2025-2026	TBD

**The 2025-year program completion rate was below our program expected level of completion of 75%. The DACC Nursing Program implemented a Plan for Performance Improvement to return rates to above 75% in the upcoming reporting year.*
