

Doña Ana Community College

Career Ladder Nursing Program

STUDENT ACHIEVEMENT DATA

Program Outcome 1: Program’s mean first-time RN pass rate for the three most recent years at or above the most recent annual national mean pass rate (ACEN, Standard 5.4)

Licensure Pass rates by Calendar Years

RN ¹	2022		2023		2024		Program 3-year pass rate Total		2024 National Pass Rate for A.D.N
Type of Candidate	Count	Percentage	Count	Percentage	Count	Percentage	Count	Percentage	Percentage
First-time test takers Associate Degree	51	76.47%	35	94.29%	41	97.56%	127	89.42	90.63%
PN ²	2022		2023		2024		Program 3-year pass rate Total		National Pass Rate for PN
Type of Candidate	Count	Percentage	Count	Percentage	Count	Percentage	Count	Percentage	Percentage
First-time, Test takers PN Certificate	3	100%	15	93.33%	11	100%	29	97.76%	88.38%

**The 2022-year performance was below our program expected state level of achievement of 80%. The DACC Nursing Program implemented a Plan for Performance Improvement with the goal of a return to rates above 80% in upcoming report year.*

Program Outcome 2: 75% of full-time and part-time students persisting in the Nursing program will complete program by 100% of program length as per NMBON rules. Data will be trended by admitting cohort for RN and PN programs.

DACC A.D.N Completion in 100% of program length (four terms) for Full-time program

Academic Year	100% Completion Rate
2022	76%
2023	82%
2024	54%

DACC A.D.N Completion in 100% of program length (6 terms) for Part-time program

Academic Year	100% Completion Rate
2022	
2023	TBD
2024	TBD

DACC L.P.N. Completion in 100% of program length (3 terms) for Full-time program

Academic Year	100% Completion Rate
2022	
2023	
2024	64%

DACC L.P.N. Completion in 100% of program length 5 terms) for Part-time program

Academic Year	100% Completion Rate
2022	
2023	TBD
2024	TBD

**The 2024-year program completion rate was below our program expected level of completion of 75%. The DACC Nursing Program implemented a Plan for Performance Improvement with the goal of a return to rates above 75% in upcoming report year.*
