

Doña Ana Community College 2024-2025 Academic and Career Programs

ASSOCIATES DEGREES
CERTIFICATES

Advanced Technologies Division (AT)

Architecture and Construction Technologies Department

Aerospace Technology (60 cr) Automation and Manufacturing Technology (61 cr) Building Construction Technology (60 cr) Architectural Technology (60-61cr)  Civil/Survey Technology (60 cr) Mechanical Drafting & Solid Modeling (60 cr)  Surveying Technology (61 cr)	Aerospace Technology-CT (30 cr) Basic Drone -UAS Technology-CT (16cr) Automation and Manufacturing Technology-CT (31 cr) Basic Manufacturing and Bridge-CT (18 cr) Building Construction Techology-CT (43-44 cr) Basic Solar-CT (22 cr) Energy Auditing-CT (23 cr) Basic Residential Wiring-CT (17 cr) Plumbing-CT (17 cr) Architectural Technology-CT (18cr)  Civil/Survey Technology-CT (18 cr)  Drafting and Graphics Technology (18 cr)  Geographic Information Systems-CT (19 cr)  Mechanical Drafting & Solid Modeling-CT (18 cr) 
Pre-Architecture (72 cr) Electronics Technology (65-68 cr) <i>Concentration in Biomedical Electronics</i> <i>Concentration in General Electronics</i>	Pre-Architecture-CT (30 cr) Electronics Technology-CT (26 cr) Biomedical Electronics-CT (48 cr) Basic Solar-CT (18 cr)
Environmental & Energy Technologies (67-68 cr)	Solar Energy Technology (26 cr) Energy Conservation-CT (20 cr) Energy Evaluation-CT (30 cr)

Commercial Technologies Department

Automotive Technology (63 cr) Heating, Ventilation, Air Conditioning and Refrigeration (61 cr) Water Technology (67-68 cr) Welding Technology (60-61 cr)	Basic Automotive Automotive Technician-CT (16-17 cr) Intermediate Automotive Automotive Technician-CT (32-33 cr) Advanced Automotive Automotive Technician-CT (45-46 cr) HVAC/R-CT (44-45 cr) Residential HVAC-CT (32-33 cr) Water Technology-CT (28 cr) Welding Technology-CT (46-47 cr) Electrical Lineworker-CT (31 cr)
---	---

Computer and Information Technology Department

Computer Information Systems (60-61 cr)  Computer Technology (60-63 cr)   <i>Concentration in IT Specialist</i> <i>Concentration in Networking</i> <i>Concentration in Programming</i>	Cisco Networking-CT (15-16 cr)  Computer Information Systems-CT (19 cr)  Computer Technology-CT (16 cr)  Data Analytics-CT (19 cr)  Oracle Programming-CT (18 cr)  Programming-CT (18-20 cr)  System Administration-CT (19 cr) 
Cybersecurity (61-62 cr) 	Cybersecurity-CT (27 cr) 

Business and Public Services Division (BPS)

Administrative Technologies Department

Office Administration Technology (62-65)  <i>Concentration in Administrative Assistant</i> <i>Concentration in Bookkeeping Assistant</i> <i>Concentration in Medical Office Assistant</i> Health Information Technology (67-68 cr) 	Office Administration Technology-CT (33 cr)  Bookkeeping-CT (21-24 cr)  Medical Billing-CT (18 cr)  Medical Transcription-CT (18 cr)  Health Information Technology-CT (31 cr) 
---	---

Business Department

Business Management (64-65 cr)  <i>Concentration in Finance and Banking Services</i> <i>Concentration in General Management</i> <i>Concentration in Retail Marketing & Sales</i> Pre-Business (60-62 cr)  	Advertising Representative-CT (15 cr)  Applied Business Retail and Merchandising Services-CT (16 cr)  Banking-CT (33 cr)  Bookkeeping-CT (24 cr)  Business Fundamentals-CT (16 cr)  Business Leadership-CT (18 cr)  General Business Management-CT (22 cr) 
---	---

Culinary Arts and Hotel & Tourism Department

Culinary Arts (60-61 cr) Hospitality and Tourism (61-62 cr) <i>Concentration in Lodging and Tourism</i> <i>Concentration in Food and Beverage</i> Hospitality Services Management (61 cr)  <i>Concentration in Hospitality Supervision</i>	Baking and Pastry-CT (43 cr) Savory-CT (37 cr)
--	---

Public Services Department

Criminal Justice (60-61 cr)  	Public Safety First Line Supervisor (3 cr)
Law Enforcement (60 cr)	
Corrections (60 cr)	
Emergency Medical Services-Paramedic (69-70 cr) (See DACC Catalog for entrance requirements)	EMT Basic-CT (10 cr) EMT Intermediate-CT (9 cr) EMT Paramedic-CT (47 cr) First Responder Pre-Hospital-CT (4 cr)
Fire Science Technology (60 cr)	Basic Firefighter-CT (30 cr)

Health Sciences Division (HS)

Dental Hygiene (100 cr)* 38 prerequisite + 62 program credits	Dental Assistant-CT (44 cr)* 11 prerequisite + 33 program credits
Diagnostic Medical Sonography (73 cr)* 27 prereq + 46 pgm credits	Diagnostic Medical Sonography-CT (52 credits)*
Medical Assisting (62 cr)	Medical Assisting-CT (38 cr)
	Vascular Sonography-CT (30 cr)*
	Phlebotomist Basic-CT (4 cr)#
Surgical Technology 73 cr* 35 prereq + 38 cr at San Juan College*	Electrocardiogram Technician-CT (4 cr)#
Nursing (70 cr)* 25 prerequisite + 45 program credits	Licensed Practical Nurse-CT (55 cr)* 25 prerequisite + 30 program credits
Radiologic Technology (67 cr)* 18 prereq + 49 program credits	Computed Tomography-CT (17-19 cr)* 
Respiratory Therapy (79-80 cr)* 32 prereq + 47-48 program credits	

* Program entry is limited and is not guaranteed. Each limited-entry program selects student after completion of prerequisites and an application process.

Not a DACC Certificate, but rather a class or group of classes that leads to an industry-related credential.

Arts, Humanities and Social Sciences Division (AHSS)

Arts Department

Digital Film (60 cr)	Commercial Photography-CT (24 cr)
Digital Graphics Technology (60-61 cr)	Creative Media-CT (15 cr) 
Game Development (60 cr)	Digital Audio-CT (18 cr)
	Digital Graphics-CT (18 cr)
	Digital Video-CT (21 cr)
	Film Crew Training-CT (24 cr)
	Game Design-CT (30 cr)
	Graphics and Animation-CT (24 cr)
	Web Design-CT (21 cr) 

Education Department

Early Childhood Education (68 cr) 	Early Childhood Administrator-CT (24 cr)
	Early Childhood Development-CT (16 cr)
Education (60-62 cr) 	
Concentration in Elementary Education	
Concentration in Elementary Education-Special Education	
Concentration in Secondary Language Arts	
Concentration in Secondary Math	
Concentration in Secondary Science	
Concentration in Secondary Social Studies	

Humanities Department

Associate of Arts (60 cr)  

Humanities Social Sciences Department

Public Health-A (60-64 cr)   Community Health Worker-CT (16 cr) 

Science, Engineering and Math Division (SEM)

Engineering and Manufacturing Technologies Department

General Engineering (60 cr) 

Science Department

Associate of Science (60 cr)  
 Concentration in Biology
 Concentration in Chemistry
 Concentration in Computer Science
 Concentration in Mathematics

 The NMSU logo indicates that the program is designed to transfer to NMSU bachelor degree programs. Note that all DACC degrees/certificates will apply to the NMSU Bachelor of Applied Studies. See the DACC Academic Advising Center for more details, (575) 528-7272.

 The Wi-Fi symbol indicates that the program is able to be completed online

Updated 10/10/2024

Key
Green - No restrictions
Yellow - Check with academic program to see what restrictions apply
Red - Closed to those with a criminal record
