12 th GRADE (26 credits)	
<p>SEMESTER 7</p> <ul style="list-style-type: none"> ENGL 2210G (3) POLS 1120G (3) or HS Government BIOL 2210 (4) CEPY 1120G (3) or College Elective(3) 	<p>SEMESTER 8</p> <ul style="list-style-type: none"> PSYC 1110G (3) NUTR 2110 (3) BIOL 2225 (4) STEM Elective (3-4) * Senior seminar

Highlighted college courses will be taught at the AVECHS campus. This pathway is aligned with **most** DACC Health Science Division programs. All health-related programs have different course requirements. Any changes to this academic plan must be done in consultation with AVECHS and a DACC academic advisor and should be based upon the student's future academic/career goals

*STEM Elective should be chosen with an academic advisor based on future career and educational goals of the student. Many STEM Electives are only available online or at college campuses located in Las Cruces.

Examples of STEM Electives: BIOL 2110G, BIOL 2310, BIOL 2505, CHEM 2120, PHL 1110G, PHYS 1112, or MATH 1350G

Updated pathways can be found at: <http://dacc.nmsu.edu/advising/early-college-pathways/>
