

## *Searching for a Career?*

## *Deciding on a major?*

# Launch Your Career Exploration Today!

If you are exploring for a career path and searching for a college major, we suggest the following three steps to help you find your path:

### **1. Career Exploration**

- <http://www.mynextmove.org/> For self-directed career exploration, My Next Move is a great starting point. Begin with a self-assessment is under the section “Tell us what you like to do.”

### **2. Explore Occupational Profiles, Career Details and Trends**

- <http://www.onetonline.org/> is the website for *The Occupational Information Network (O\*NET)*. This website, produced by the U.S. Department of Labor is a great way to conduct detailed research on current careers, demand, salary and more.
- <http://www.bls.gov/ooh/> is the website for the *Occupational Outlook Handbook*, produced by the U.S. Department of Labor. Through this site you can view comprehensive job descriptions, wage trends, and growth projections for hundreds of occupations.
- <http://www.careeronestop.org/> *Career One Stop* is your home base for researching the fastest-growing occupations, local wage information, and get an idea of what it takes to succeed on the job.

### **3. Consult with your DACC Academic Advisor**

- <http://dacc.nmsu.edu/advising/> Call (575) 528-7272 today to connect with the correct specialty academic advisor that works with your career choice. Make an appointment to begin planning the completion of your goal today!
