

2026 COMMENCEMENT

NM STATE DACC

NMSU Doña Ana Community College

MÓNICA F. TORRES, PH.D.
CHANCELLOR NMSU SYSTEM COMMUNITY COLLEGES

Congratulations, Graduates!

DACC graduates, let me be the first to congratulate you!

Today, we celebrate not just your academic achievements, but your remarkable perseverance. Many of you balanced your studies with work, family responsibilities, and countless other commitments. That you are here today illustrates the power of your intelligence, your determination, and your hard work.

Of course, this is not just about celebrating your past accomplishments, it is also about happily anticipating your future. The knowledge, skills, and relationships that you've built at DACC will serve as your foundation for moving forward. We will all be stronger because of your contributions. We look forward to seeing how you will transform our workforce, our neighborhoods, and our communities.

With sincere congratulations,

Mónica Torres

Chancellor, NMSU Community Colleges

Royal W. Jones Jr.

2026 Honorary Degree Recipient

Doña Ana Community College is honored to recognize Royal W. Jones Jr. as this year's Honorary Degree Recipient. DACC is awarding him the prestigious Honorary Degree of an Associate in Prebusiness.

An entrepreneur, philanthropist, and mentor, Mr. Jones has built his life and businesses on hard work, integrity, and the Golden Rule: "treat others as you would like to be treated." From learning to operate equipment at his father's lumber yard at age twelve to becoming a truck driver at nineteen, Royal's drive and determination have carried him from humble beginnings to founding Mesilla Valley Transportation in 1982. Today, MVT is one of the largest privately owned trucking companies in the Southwest, with 1,700+ trucks and 7,000+ trailers, and is recognized as an innovative leader in fuel economy.

Over the years, Royal has expanded his impact far beyond trucking, creating and leading businesses in transportation, logistics, bio-diesel production, land development, truck and tire sales, racing, and golf course operations.

At the heart of Royal's success is his commitment to people. He believes in developing employees, creating opportunities, supporting driver safety, mentoring students and young professionals, and giving back to the community. His generosity includes major support for local students, youth activities, and countless community efforts. In 2015, Mesilla Valley Transportation began its Annual Charity Golf Tournament, which has helped raise over half a million dollars for charitable organizations serving veterans, children, families, educators, domestic violence survivors, foster children, and the broader Southern New Mexico community.

Through the tournament, Royal's leadership has supported programs including the Wounded Warrior Project, Mesilla Valley Community of Hope, Big Brothers Big Sisters, The LCPS Foundation, Revolution 120, La Casa, Mesilla Valley CASA, and Jardin de los Niños.

Royal's legacy is one of perseverance, generosity, and a deep belief in using success as a way to bless and uplift others.

IN MEMORIAM

The college community conveys with sadness its condolences to the family and friends of our students and employees who passed away this school year:

Javier Lorenzo Ceniceros

Student, Welding Technology

Javier Lorenzo Ceniceros, 32, of Las Cruces, passed away on January 31, 2026. He was a former student at Doña Ana Community College, where he was pursuing vocational training in welding as part of his effort to build a better future for himself.

Javier is remembered for his bright smile, warm spirit, humor, kindness, and ability to lift those around him. His connection to DACC reflects his determination, resilience, and commitment to learning a hands-on skill that could help shape his future. He will be deeply missed by his family, friends, classmates, and all who knew him.
