NMSU Doña Ana Community College

2024
commencement

MÓNICA F. TORRES, PH.D.

INTERIM PRESIDENT, NEW MEXICO STATE UNIVERSITY

Congratulations, Graduates!

Let me start with a hearty congratulations! You accomplished what just a few years ago many of you thought was impossible. But through your dedication and perseverance, you've done it. Because of your efforts, you have earned a certificate or a degree, and those college credentials mark your success. And we know that for some of you, those who are the first in your family to graduate from college, this is a special accomplishment.

Because no one accomplishes this alone, I also want to congratulate the spouses, partners, children, families, extended families, and friends who celebrate this accomplishment with you. They know as well as anyone the great sacrifices you have made to be at this moment in your lives.

You are now an NMSU-Doña Ana Community College graduate. You are part of our family. Faculty and staff at DACC celebrate your accomplishment. As you embark on the next chapter of your life, we want you to stay in touch. Let us know how you are doing. Please use us as your coaches, your mentors, and your biggest supporters.

Congratulations!

Don Cotter

2024 Honorary Degree Recipient

Donald James Cotter: A Life in Learning and Giving Back

Doña Ana Community College is honored to recognize Dr. Donald James Cotter for his contributions to learning and community service. This year, DACC is awarding him the prestigious Honorary Degree of an Associate of Applied Science in Digital Film.

Dr. Cotter's journey began with humble roots, but his dedication to hard work, leadership, and scholarly pursuits has blossomed into a remarkable life. He earned both a Master of Science and a Doctor of Philosophy degree from Cornell University, solidifying his expertise in the fascinating world of horticulture and plant sciences. For 35 years, Dr. Cotter excelled as a research and teaching professor. Twenty of those years were spent at New Mexico State University, where he's now a revered professor emeritus. During his time teaching, he wasn't just a professor – he was a mentor and counselor, guiding countless students in his department.

Dr. Cotter's passion for giving back extends far beyond the classroom. Partnering with his wife Fran, they established several endowment scholarships. One of these, the Jim Putman Second Chance Scholarship at DACC, offers life-changing support to students seeking a new direction. However, Dr. Cotter's generosity extends beyond this scholarship. He's also provided financial aid and mentorship to numerous students throughout his career, finding great joy in helping and connecting with them.

Since retiring from teaching, Dr. Cotter has embarked on a fascinating second career – photography. He's captured stunning images, publishing no less than 30 photography books. From university professor to general construction contractor to photographer, Dr. Cotter's diverse experiences have woven together beautifully. His countless photographs and publications enrich the world around us, leaving a lasting mark on the visual arts.

Doña Ana Community College is deeply grateful for Dr. Cotter's generosity and service and honored to present him with their Honorary Degree, a recognition reserved for community members who leave an exceptional mark on the college and beyond.
